Pioneer Works builds community through the arts and sciences to create an open and inspired world. Pioneer Works is a non-profit 501(c)(3). Programs are made possible by the generous support of our board of directors, grants, and donations.

Pioneer Works Press publishes a range of projects that explore new ways of thinking, and seeks to advance the dissemination of knowledge and art through publication and recorded sound. Through our imprint, bookstore, and annual Press Play publishing & music fair, we seek to demonstrate that publication is essential to accessing the arts beyond the institution, and that it is a foundation of all creative practice.
